

TRIPOD CAMP TABLE

Equipment:

8 x 4m poles
6 x 6m poles
Table top/deck
14 x 6m lashing ropes

Instructions:

1. Using the 4m poles build two tripods
2. Lash cross beams onto the tripods at approx 40cm from the ground
3. Lash two 6m poles as the table top base at approx 80cm from the ground
4. Round lash two sets of 6m poles together for the seats. The seats can rest on the cross poles from the tripod.
5. Add and tie down the table top / decking board on top of the 6m poles
